2 Bedroom, 1.00 Bathroom, 857 sqft  
Residential on 0.50 Acres

Bowness, Calgary, Alberta

Calling all aspiring or experienced builders looking to build on an executive-style, inner-city-acreage type lot. The historic, character-filled community of Bowness has only so many 1/2 acre lots left and this is of them. The existing bungalow sits on a huge 72.5 x 300 ft lot (21,750 sqft), features an oversized parking pad and gradually backs up onto a natural escarpment, situated on a quiet street in West Bowness. It's also just minutes away from Bowness & Bowmont Parks, C.O.P, and the new Farmer's Market. With the new zoning, there are many building options available for this lot, from single-family homes to townhomes. This 2-bedroom bungalow was just recently updated inside and new tenants have moved in on April 1st, 2025 with a one year lease at \$1790 + utilities. Additional updates include a newer roof. Given the size of the lot and the new zoning rules, it's a unique opportunity. Call your favorite Realtor today to arrange a discussion and offer on this fabulous lot. Please do not walk the lot or bother the tenants without booking an appointment first.
