A private front office offers a quiet retreat for work or study, while the convenient main-floor laundry and powder room keep routines simple and stress-free. SS appliances and a generous pantry make cooking effortless, and the open-concept layout keeps you connected to the dining and living spaces at all times. The dining area easily accommodates family gatherings and weekend brunches, flowing seamlessly into the rear living room where a gas fireplace anchors the space with warmth. Two additional bedrooms featuring newer triple-pane windows provide comfort for family, guests, or a second workspace. A full bathroom and an airy open-to-below landing complete a level designed for balance and comfort. The fully developed basement extends the home's living potential even further.
